Disclosure

- I have no relevant financial relationship or commercial interest to disclose in conjunction with this presentation.
Congratulations Preceptors

Class of 2012

One of only 5 schools to get

100% Pass Rate on the

NAPLEX EXAM
Learning Objectives

- Discuss ACPE standard changes in relation to course syllabi
- Describe the different types of active learning strategies for experiential education
- Explain the criteria in which financial assistance can be provided to students for experiential education
Consistency of Course Syllabi

Student learning outcomes

- Goals and Objectives/Competencies (Examples)
  - Collect relevant information from a medical record and organize it into a useable format
  - Efficiently gather relevant data from a patient interview
  - Identify patients at risk for adverse drug reactions
  - Accurately & efficiently identify all drug-related issues
  - Evaluate all rational therapeutic options
  - Etc
Consistency of Course Syllabi

Learning strategies employed

- Case presentations
- Chart reviews
- In-services
- Journal club presentations
- SOAP write-ups
- Grand rounds presentations
- Drug information responses
- Administrative projects
- Clinical interventions logs
- Etc
Consistency of Course Syllabi

Student Responsibilities

- Maintain a high standard of professional behavior
- The student needs to be proactive not passive
- Maintain patient confidentiality in compliance with HIPAA regulations
- Actively participate in professional and technical functions of the site
- Satisfy the rotations attendance requirement within the rotation time period
- Etc……
Academic Dishonesty/Professionalism

- Consistent with University regulations, academic dishonesty will not be tolerated.

Academic dishonesty includes, but is not limited to, cheating and plagiarism.

- Students found guilty of infractions will be removed from the course or rotation. Any student asked to leave an experiential site for any reason will fail the rotation and be called before the Progressions Committee.
Consistency of Course Syllabi

Students with disabilities

- The Americans with disabilities Act (ADA) is the civil rights guarantee for persons with disabilities in the US.

It provides protection for individuals from discrimination on the basis of disability.

Students with disability related needs should contact the Director of the Center for Students with Disabilities, Campus Box 8118, phone # 208-282-3599.
Absence Policy

- Mandatory attendance is required for all APPE rotations.
- Each APPE consists of 6 weeks, each week consists of 40 hours at the experiential site for a total of 240 hours.
- ACPE: the expected length of the APPE experiences is not less than 1440 hours (36 weeks, or 6 rotations).
- ISU: Requires 7 APPE rotations for a total of 1680 hours (42 weeks, or 7 rotations).
Absentees Policy Continued

- Students are required to be at the practice facility in accordance with the schedule for each particular site, including nights and weekends.
- Absences may be excused in the event of unforeseen emergencies (illnesses, weather).
- Any foreseeable absences must be pre-approved by the preceptor.
- Continual unexcused absences or tardiness are grounds for failure of the rotation.
Consistency of Course Syllabi

Confidentiality (HIPPA)

- Pharmacy students must be in compliance with the Health Information Portability and Accountable Act (HIPAA)
- The Office of Civil Rights enforces the HIPP Privacy Rule, which protects the privacy of individual identifiable health information
- All patient information, names, medical records, social security numbers, date of birth and other identifiers will not be used, removed or discussed for any reason outside the facility
- Any breach of HIPPA will be grounds for removal from the facility and failure of the rotation
Consistency of Course Syllabi

Confidentiality (FERPA)

- FERPA or Family Education Rights and Privacy Act
- Basically student confidentiality, the same as HIPAA is patient confidentiality
- FERPA generally prohibits the improper disclosure or discussion of information about students or students' performance
- This applies to parents, friends, spouses, lawyers, colleagues and other students.
- The web link ED.gov, gives all the information needed to understand FERPA
Conistency of Course Syllabi

Drug and Alcohol Abuse

- Pharmacy students that display behaviors outlined in the COP Student Handbook may be referred for chemical dependency evaluation.

- Students who display any of these behaviors may be required to submit to an alcohol breathalyzer test sensitive to 0.02%.

- If positive, student submits immediately to a blood alcohol test and urine drug screen arranged on-site through Certified Background.

- The student bears all costs associated with drug testing.
Guideline 14.3 Remuneration

- Students must not receive remuneration from practice sites for any pharmacy practice experiences.
- The college or school may provide financial assistance for students travel and housing that is not considered remuneration for services rendered.
Guideline 14.5 Structured Simulation

- Simulation, defined as an activity or event replicating pharmacy practice, can be utilized for no greater than 20% or 60 hours of the 300 hour IPPE experience time.

- Simulation for the purpose of satisfying IPPE may include use of:
  - High fidelity manikins
  - Med fidelity manikins
  - Standardized patients
  - Standardized colleagues
  - Role play
  - Computer-based simulation
APPE ROTATIONS

APPE Core Rotations

- Advanced Community
- Ambulatory Care
- Hospital (Institutional)
- Medicine
APPE Continued

- P-Care Rotations
  - Anticoagulation
  - Cardiology
  - Consulting
  - Critical Care
  - Drug Information
  - Diabetes/Endocrine
  - Emergency/OR
  - Geriatrics
  - Home Health
  - Implementing Quality
  - Infectious Disease
  - Intensive Care
  - Long Term Care
  - Managed Care
  - Medication Safety
  - Mental Health
  - Nuclear Medicine
  - Nutrition
  - Oncology
  - Pediatrics
  - Pediatric Intensive Care
  - Rehabilitation
  - Surgery
  - Transplantation
Elective Rotations

- Academics
- Board of Pharmacy
- Compounding
- Consulting
- Pharmacy Management
- Research
ASSESSMENT QUESTIONS
FERPA refers to student confidentiality, the same way HIPAA refers to patient confidentiality.

1. True
2. False
Students must not receive remuneration for time spent during their rotations, but may be provided financial assistance for travel and housing that is not considered remuneration for services rendered.

1. True
2. False
Simulation, defined as an activity or event replicating pharmacy practice, can be utilized for no greater than 20% or 60 hours of the 300 hour IPPE experience time.

1. True
