As of July 1, the University implemented a new computer system. Therefore, additional information is required from our affiliate faculty so the new system will function the way it was designed.

It has been requested that the information on the attached form be included in our nominations this year. Also, a current CV is requested from all affiliate faculty nominees - returning and/or new.

Please complete and return the attached information form with your current CV no later than Friday, August 28, 2009 to:
