

Director, Pharmacy Experiential Education Program Pocatello or Boise, Idaho

Idaho State University is seeking qualified applicants for the position of Director of Experiential Education in the College of Pharmacy. The Director will be a full-time non-tenure track clinical faculty member in the Department of Pharmacy Practice & Administrative Sciences and will be primarily responsible for overseeing the planning and implementation of both Advanced Pharmacy Practice Experiences (APPEs) and Introductory Pharmacy Practice Experiences (IPPEs). Oversight will include rotation scheduling and coordination, preceptor recruitment and retention, and development and evaluation of programs, sites, and personnel. The position will also have limited teaching, scholarship, and service expectations.

Qualifications:

- Doctor of Pharmacy degree from an accredited College of Pharmacy
- Pharmacy practice residency or equivalent experience preferred
- Must be licensed or eligible for pharmacy licensure in the State of Idaho
- Must have excellent communication, interpersonal, and organizational skills
- Must be able to travel

Responsibilities:

- Set and monitor annual APPE and IPPE schedule
- Evaluate preceptor requirements; provide educational and other preceptor support as needed
- Serve as liaison between faculty, staff, and students in matters involving experiential education and ensure timely and efficient communication with faculty and preceptors
- Routinely review the activities of the experiential educational program for consistency with institutional goals and objectives and conformity with national accreditation standards
- Establish and maintain quality assurance of sites and preceptors, conduct periodic site visits, make recommendations for improvement as needed

Salary: Negotiable based on experience; competitive benefits package

Academic Rank: Dependent upon qualifications and experience

Application
