BROTHERS IN THE KITCHEN
Working in the Kitchen and setting everything up…

And a little time to Break-Dance!
What a Great Time Volunteering for Make-a-Wish and the College of Pharmacy!
We helped to raise $18,000.00 to help fund a trip to Disneyland for a local child with brain cancer through the Make-A-Wish Foundation. The proceeds also helped to provide funds for the College of Pharmacy Student Organizations.
BANNOCK HOUSE
Building Character
We volunteer at the Bannock House, a group home for children and teens that are abandoned by their families. The Alpha Zeta Chapter visited the house and cooks dinner and plays games with the children. Ultimately we are very blessed to be able to participate and possibly help change lives.

Due to legalities, no pictures are allowed to be taken with the children.
